2 It is simply stated that the firm has undertaken to redeem the bonds of Government could be arranged to them thro the Imperial Bank or their Treasury and it is not known if the firm does not want any further consideration for the work. If any commission is to be paid them the two arrangements for payment proposed above do not seem to be justified. The F.B.I. and the Employer will have to be consulted.

3 The procedure suggested 21.9.28 may perhaps be approved as there is a large balance in the Local Treasury. It is for the Board to settle terms with the firm 24/9/28 if they can obtain advantage be consulted

Two Requests are made viz,

1) To keep current deposit of Rs 5000 in the Mysore Insurance Bank, Kolar, to enable the Mysore Bank also to pay them Spot Notes if any without charging interest from the Distt Bd.

2) To authorise necessary payments to the Firms from the State Hospital Training.

If the latter proposal is agreed there seems to be no necessity for the former.

Provided the minimum Cash balance ~~required to~~ as required by rules is kept in the Treasury, there is no objection to the Board being permitted to open an account with the Bank of Mysore and deposit therein Rs 5,000 for purchasing therein Debentures. Before effecting a purchase, it would be necessary for the Board to examine the endorsements on the bonds & satisfy itself that they are in order.

9 When such permission is accorded, there is no need to obtain otherwise the S. A. Treasury to pay for such purchases and recover the Cost later from the Board
